Thinking About Peace

What does a peaceful and just world look like to you?
LISTENING IS THE FIRST KEY TO PEACE

Just by listening, you can help others feel so good

Can you think of a time when all you really needed was for someone to listen?
EMPATHY IS THE SECOND KEY TO PEACE

If telepathy is mind-reading, empathy is heart-reading.

Decorate these children’s shoes and draw what’s in their hearts!

How does it feel when someone empathizes with you? How does it feel when they do not empathize with you?
Assertiveness is the third key to peace.

Assertiveness is a superpower.

Assertiveness stops the spread of hurt so you can spread peace instead. You must be calm, cool, collected, confident, and clear.

Strong without being mean, kind without being weak. It's your body language, what you say, and how you say it.
