

1ST GRADE SEQUENCE

The Mosaic Project's curriculum and sequence is based on dismantling the Pyramid of Violence, and building the Pyramid of Peace. Through our experiential activities and guided discussions, students learn how to connect, respect each other and their diverse perspectives, empathize, and practice assertive communication and conflict resolution skills. These Mosaic skills are all part of fostering a peaceful classroom community.

Below is a suggested sequence of Mosaic lessons for 1st grade classrooms.

Activities typically include the corresponding song as introduction or conclusion. Many topics have an accompanying poster to display in the classroom. While we recommend exploring each topic for a week, you may alter the pacing to fit the needs of your students.

Our [Mosaic music](#) is available on many platforms. A PDF set of [Mosaic posters](#) can be downloaded and printed size 11x17". Each activity is housed in our online [Mosaic Activity Bank](#).
