

# No Walls around Peace

## SPONSORSHIP OPPORTUNITIES FOR YOUR COMPANY

We invite you and your company to sponsor **"No Walls Around Peace,"** an exclusive, intimate event to benefit The Mosaic Project. The Mosaic Project teaches people of all ages communication and conflict resolution skills to help prevent and break the cycle of discrimination across cultural divisions.

"No Walls Around Peace" will take place on **Saturday, August 19, 2017** and is a key way to further our mission while helping promote local business partners. **Sponsors will be recognized before our audience of more than 200 local supporters as outlined on our list of benefits.** Our audience is typically over 35 years old, open-minded, willing to try new things, and has a discretionary income. All gifts are tax deductible to the full extent of the law (tax ID: 94-3367263).

**Your sponsorship will enable low-income 4th and 5th graders from local Bay Area schools to attend Mosaic's Outdoor School.** The Outdoor School provides youth from markedly different backgrounds with a profound weeklong experience in a natural setting designed to address issues of difference, build self-esteem, and inspire inclusive communities. Ninety-eight percent of our alumni say that our program increased their confidence, improved their conflict resolution skills, and increased their ability to interrupt discrimination. Because of supporters like you, more than 10,000 students have attended our Outdoor School since 2001.

We intend to raise \$60,000 through this event which will include a silent auction, a live auction, and an intimate garden concert by former Mosaic staffer and professional musician, **Brett Dennen.**
