

Mosaic Snapshot

2010

2011 schedule

Mosaic opened minded me and **opened my heart**. I am going to come back as a Cabin Leader and help other kids. — MARITSSA, AGE 9

Now that I've gone to Mosaic, I know peace is possible. — JACK, AGE 11

The Mosaic Project has this unique quality that gives kids **hope for a better future**. Many of our kids come back with **positive attitudes** and a **new outlook** on life. — PETER HANNIBAL, TEACHER

I'm not sure I'll be even near the same girl I used to be. I hope I can pass on my education that Mosaic gave to me. Thank you for easily the **best week of my life**. — NICOLE, AGE 10

This may just be the **most important thing happening in education** in this country at the moment. — MARNA WOLAK, TEACHER

Mosaic taught me how to be a **peacemaker** and how to **work together**. Also, Mosaic taught me how to **empathize** and **stop conflicts**. Mosaic is a 10 star rating for me! — LIAM, AGE 10

When I was at Mosaic as a 5th grader, I knew I had flipped a switch that couldn't go back and I felt that **my life had been changed**. — LYDIA GLENN-MURRAY, AGE 18, FORMER STUDENT, CURRENT YOUTH LEADER

I can't stress enough how much **Mosaic has changed my son's life**. I am so thankful for all that he has experienced and how he sees the world and treats others. — WINDY CREATH, PARENT

THE mosaic project

Make **new friends**,
learn about **peace**,
have **fun** — why not?!

— MAX, AGE 10

I've taught overseas and I've taken field trips with high-school students to the Netherlands and Venezuela. The most important field trip I've ever taken is 30 minutes up the hill to The Mosaic Project's Outdoor School.

— JIM YARBOROUGH, TEACHER

I learned so many things at Mosaic that I think I'm ready for college.

— ALEXIS, AGE 9

At Mosaic I learned how to celebrate and appreciate differences, how to trust and support people, not to judge how people look on the outside, that we are all interconnected, and that I want peace not hate.

— DIANA, AGE 10

Every time we learned a new lesson, I wanted to take it back to my real community and all the problems I could have resolved.

— ELI, AGE 9

Mosaic showed me that hurt people hurt other people but if it comes to you, you can stop it.

— MAIA, AGE 9

The Mosaic Project really changes kids

lives. The old Fernanda (which is me) had a big bossy attitude and used to be a bully, but now I am an ally.

— FERNANDA, AGE 10

I think The Mosaic Project helped me understand I can solve problems and conflicts without fighting or being aggressive.

— DREW, AGE 10

The Mosaic Project taught me how to stand up for myself in a kind way.

— GABI, AGE 9

Mosaic made me see things differently. For example, let's say I see somebody getting bullied. Before I would just feel bad for them. Now I'm going to try to be somebody's ally.

— MATTHEW, AGE 10

I'm a better person at helping other people and I am very proud of myself.

— JAZMIN, AGE 10

You opened the door to opportunities for our kids to connect to nature and then reconnect to their inner-possibilities and inner potential.

— TAUHEEDA WREN, TEACHER

Mosaic is a reminder of how I want to live.

— JAKE SHAPIRO, AGE 18, YOUTH LEADER

I get it now! I know the meaning of life! It is to work together in peace and happiness and love!

— ANI, AGE 10

Join us among the redwoods, meadows, and streams in Napa for the Spring and Fall 2011 sessions of our Outdoor School. Within a nurturing, diverse environment, perhaps the most diverse they have ever encountered, your 4th or 5th-grade classes will be encouraged to appreciate each individual and the value of community. Students will learn, play, imagine, sing, dance, create, explore and become empowered to create a better future!
